

Diversity Strategy

At Saxena White we value diversity of thought and experience, and believe that an inclusive and collaborative culture is a key driver to success. We strive to achieve and maintain a diverse workforce that reflects the contemporary and multicultural community that we represent. We celebrate our history of promoting women and minorities to key roles, and uphold our commitment to diversity as a fundamental component to our business model. We are committed to:

- treating all people with dignity and respect;
- developing inclusive leaders who value and have a deep understanding of diversity and inclusion, and the capability to build inclusive teams and working environments;
- providing training programs and career opportunities that enable all employees to feel that they belong and are valued individuals who can reach their full potential;
- communicating our diversity and inclusion values across the firm and externally; and
- identifying and cultivating partnerships and supplier relationships that promote and improve diversity and inclusion within Saxena White, for our clients, and in the community.
